FOR THOSE WHO DEMAND MORE

MODEL YEAR 2026 CATALOG

ABOUT BARLETTA

Founded in 2017, Barletta was built on a commitment to putting our owners first. We're here to rethink what pontoon ownership can be, designing boats that focus on quality, comfort, and a better experience on the water.

Eight years later and the goal remains the same — we don't want to be the biggest pontoon boat manufacturer, we want to be the best manufacturer.

We believe in doing things differently, and it shows in every boat we create. Come along for the ride as we continue to craft exceptional products and experiences in the world of pontoon boating.

JUNE 2017

Barletta is established

JANUARY 2018

Barletta wins NMMA Innovation Award with boat #1

APRIL 2021

Barletta doubles production footprint with new facility

DECEMBER 2023

Barletta becomes #1 manufacturer of 22' pontoon boats

JANUARY 2024

Barletta is awarded 3rd Innovation Award & 6th CSI Award

JANUARY 2025

Barletta is awarded 4th Innovation Award & 7th CSI Award

CONFIDENT DESIGN

Every detail is crafted with you in mind. Redefine your expectations. Barletta isn't just a boat; it's your gateway to a lifestyle of effortless luxury and functionality.

COMFORT IN EVERY RIDE

Barletta Pontoon Boats are crafted to deliver an unparalleled on-water experience. Our boats provide exceptional stability and comfort, ensuring the best ride in any condition.

SERVICE THAT GOES BEYOND

At Barletta, we don't just build pontoon boats — we build lasting relationships. Barletta and your dealer will be there with you, every step of the way.

CUSTOMER SATISFACTION

The CSI award honors manufacturers that maintain a 90% or higher in customer satisfaction for the year.

2018 | 2019 | 2020 | 2021 | 2022 | 2023 | 2024

PET FRIENDLY

No one gets left behind on the dock! Features for our four-legged friends include Doggie Dockview, integrated pet bowls, scratch-resistant vinyl, and EZ board ladders.

SUMMER HOTLINE

After-hours support from our expert customer service team to keep customers on the water during prime boating season

WARRANTY

Barletta offers the industries most comprehensive warranty including Limited Lifetime structural and 10 year bow-to-stern coverage.

INNOVATION

Barletta is a four-time recipient of the NMMA innovation award recognizing manufacturers who bring new, innovative products to market.

2018 | 2023 | 2024 | 2025

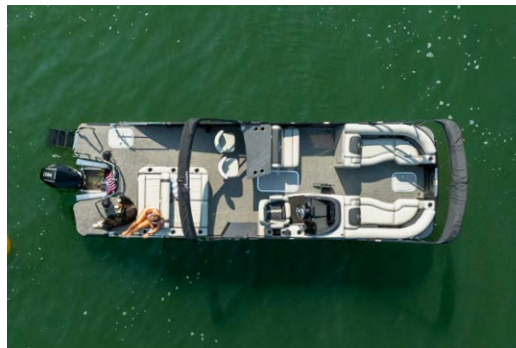

5 ESTABLISHED PATENTS

Patents include proprietary chassis design, dual-stage lifting strakes, Doggie Dockview, Vibration Isolation Pad technology, and center-mounted twin engine.

CONFIDENT DESIGN THAT'S MORE THAN ENGINEERING, IT'S ARTISTRY.

Experience the perfect balance of elegance and performance with Barletta Pontoon Boats. Built to deliver exceptional comfort and uncompromising quality, our boats are engineered with confident design and cutting-edge innovation. Whether you're with family, or friends, or just looking for a little "me" time, Barletta transforms every moment into something extraordinary.

FLEXIBLE FLOORPLANS

From spacious seating arrangements and dedicated storage to innovative features like convertible lounges and open deck designs, Barletta floorplans make every outing seamless and enjoyable. Customize your adventure and make every trip your own.

HIGH-END MATERIALS & FINISHES

Our boats are designed to make a statement, with refined finishes, elegant accents, and a timeless aesthetic that stands out on the water. Experience the tactile difference of soft-touch surfaces, stainless steel fixtures, and thoughtfully crafted designs that elevate every journey.

MORE STANDARD FEATURES

At Barletta Pontoon Boats, we believe luxury and functionality should come standard. From superior sound systems and power biminis to USB charging ports and built-in storage solutions, Barletta ensures that convenience, comfort, and performance are included in every model.

SERVICE THAT STANDS WHERE OTHERS WON'T.

At Barletta Pontoon Boats, our commitment to excellence doesn't stop at the water's edge. We're proud to back every boat with industry-leading customer service that ensures your ownership experience is as smooth as your time on the water. From the moment you choose Barletta, you're supported by a dedicated team that's here to answer your questions, provide expert advice, and keep your pontoon in peak condition. With a nationwide network of trusted dealers and responsive support, we're with you every step of the way.

SUMMER HOTLINE

An industry exclusive, the Barletta Summer Hotline offers after-hours customer service support from our in-house Barletta service techs for any issues you may run into on the water. Reach us seven days a week, all summer long.

OWNERS SPECIALISTS

Our Owner Specialists work as a liaison between our dealer partners and our owners to provide excellent customer care whenever questions or issues arise during their ownership experience.

A RIDE SO SMOOTH, THE ONLY THING YOU FEEL IS THE WIND IN YOUR HAIR.

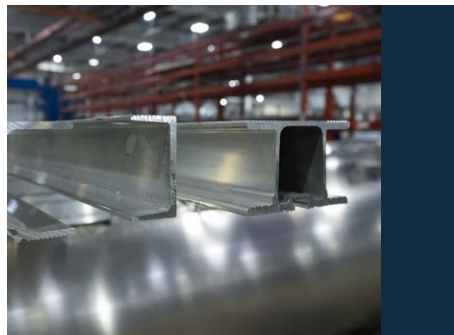

Glide across the water like never before with Barletta Pontoon Boats. Engineered for unmatched stability and comfort, our boats feature innovative designs and premium construction that deliver an effortlessly smooth ride in any condition.

From V.I.P. Technology to advanced pontoon technology, every detail of our patented chassis is designed to minimize noise and ensure a steady, enjoyable experience for you and your passengers. No matter what body of water you call "home", Barletta guarantees a ride as refined as the boat itself.

V.I.P. TECHNOLOGY

Vibration Isolation Pads virtually eliminate any rattle or vibration you might experience where like metals meet.

HYBRID CROSSMEMBERS

A hybrid combination of crossmembers creating the strongest deck structure in the industry.

DUAL-STAGE LIFTING STRAKES

Designed to get you up on top of the water quickly and efficiently. Includes multi-species drainage ports.

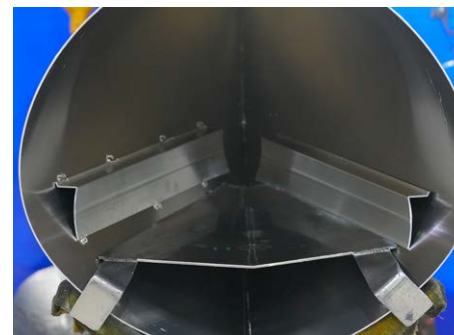

FULL BELLY SKIN

Protects your underdeck from the water and the elements. It also keeps splashing water from affecting performance.

EXTENDED MOTOR POD

Better performance, better functionality and eliminates the need for tilt restrictors.

HEAVY DUTY NOSECONES

Built for big-water and higher horsepower applications, Barletta's nosecones are reinforced to help cut through the water.

TAKE IT FROM AN EXPERT

Nobody knows BIG water like Sig Hansen, Captain of the Northwestern on Discovery Channel's Deadliest Catch. The newest addition to the Barletta family, Captain Sig takes delivery of his Barletta Lusso L23M and puts the vessel through it's paces on the Puget Sound, busting the "big water pontoon boat myth."

[WATCH HERE](#)

A man and a woman are sitting on a boat, smiling and looking at each other. The woman is wearing a light blue shirt and sunglasses, and the man is wearing a white shirt and sunglasses. An American flag is visible on the boat. The background shows a body of water and a sunset sky.

WE'RE NOT PERFECT, BUT

97%

**OUR OWNERS THINK
WE'RE PRETTY CLOSE.**

Premium service isn't just a promise – it's proven.
That's why 97% of our owners give us top marks 30 days post-delivery. Even after a year, 9 out of 10 say they'd make the same choice again.

*Based on owner satisfaction surveys completed 30 days and 12 months after purchase.

SUPERIOR QUALITY & GREAT PRICE POINT

“We are completely thrilled with our new Barletta tritoon purchase. The boats ride and handling is the best I have experienced. The interior is well designed and has high quality craftsmanship. I doubt I will ever own another brand of boat. Thank you Barletta.”

SCOTT & DEANNA S. | ARIA 24QC

BEST LOOKING TRITOOON ON OUR LAKE!

“After approximately 50 hours of use this summer, our 2025 Cabrio 22UC has surpassed all our expectations. We are especially pleased with the easy to access ladder, the comfort, placement, and versatility of the seats, and are very pleased with the roominess of our boat. The marina owner says we have the best-looking boat on the lake! My wife is very happy with our choice!”

STEVEN E. | CABRIO 22UC

NOT SURE ABOUT A TRITOOON? THINK AGAIN!

“Barletta’s lineup of tritoons will make reconsider purchasing another ski boat. The Barletta pontoon handles like a bowrider but has the functionality of your granddad’s pontoon. It is the perfect choice if you like to entertain friends on the water and still enjoy water spots. Their boats are well built with special attention to detail. We could not be happier with our Barletta tritoon.”

DAVID T. | CORSA 23U

FUN IN THE SUN!

“We love our Barletta, so happy with our purchase. Making memories and spending time on the water is what makes us happy.”

RACHEL B. | CABRIO 20UC

PURSUING PERFECTION

“This is my second Barletta. Cannot beat the customer focus of this company. The ability to speak directly with customer reps shows the fact that they are customer driven. In today’s world, you cant go wrong with a 10 year bow to stern warranty coupled to a great dealer and customer network that you can lean on for support. Cutting edge business practices aimed towards customer focus. We found out it works for us. Try a Barletta. You will never get sick of hearing the compliments.

JOHN G. | LUSSO 25UC

WORTH EVERY PENNY!

“We couldn’t be happier with our Cabrio!!! This is our first Barletta and boy are we glad we went with it. The quality of everything on it is top notch. We will be proud owners for many years.”

WILLIAM H. | CABRIO 22UC

PREMIUM QUALITY & SERVICE

“Best pontoon boat on the market!”

MIKE S. | LUSSO 23QCSSA

LOVE BARLETTA PONTOON BOATS

“We absolutely love our Barletta Cabrio 22 UC Tritoon. It is extremely quiet and has a very smooth ride versus other Tritoon Boats we have owned. The VIP (Vibration Isolation Pad) system is very nice and works really well to cancel out noise and vibrations. It is very comfortable and the fit and finish is very high quality. I have also had excellent luck with Mercury Outboard and I/O motors and the 150L 4 stroke on this boat is no exception. I highly recommend Barletta Pontoon Boats to anyone.

WILLIAM H. | CABRIO 22UC

QUALITY BOAT

“I researched several top brands of pontoons before purchasing a Barletta. The quality of material and craftsmanship were far above the competitors. Our family accumulated 100hrs in the first season and couldn’t be more pleased with our decision.”

WILLIAM B. | CABRIO 24UC

FIRST TIME OWNER

“Recently switched from a runabout to tritoon and spent several hours researching. Decided on Barletta and have not been disappointed. The quality inside and out is top notch. The boat (23 Corsa UC) handles better than any of the other brands we considered.

GARY R. | CORSA 23UC

GREAT BOAT!

“We bought a 2025 Aria for our family of 5. It is perfect for us. We have plenty of space for our family and friends. With a 150 hp, we can pull two kids on the tube with a full boat with no problem. Very happy with our purchase!!

TIM C. | ARIA 22QC

BARLETTA IS THE BEST!

“There’s a LOT of pontoon manufacturers out there, check them all out & then visit your Barletta dealer, you’ll see the difference. I’ve owned several boats over my life, nothing compares to the quality & innovative ideas Barletta has to offer. Great boating experience for myself & family.”

THE INDUSTRY'S FIRST & ONLY CENTER-MOUNTED TWIN ENGINE PONTOON

AVAILABLE FLOORPLANS

When it comes to performance, innovation, and style, Barletta knows how to stay ahead of the curve. That's why we developed the industry's first ever center-mounted twin engine pontoon boat. Our reimaged design results in improved performance, functionality, and safety.

WHY CENTER-MOUNTED?

SAFETY

Our center-mounted twin is built with safety in mind. 360-degree prop indicator lights boost visibility while underway, while a combination of the stainless steel entertainment accent and safety fence act as a protective barrier between passengers and the transom. The center-mounted design makes boarding safer and easier, while the two pet-friendly, wide-step boarding ladders, providing a safer and more accessible path for entering and exiting the water. The dual engines are protected within the boat's frame for better protection during docking and trailering.

PERFORMANCE

Get ready for effortless control and serious speed. With joystick steering and Mercury Skyhook, handling is smooth and precise. The boat hits a steady 65 mph* while reducing prop wash, making turns and maneuvering feel seamless. Plus, our robust chassis and elevated transom keep things stable, even in rough waters.

COMFORT & CONVENIENCE

More space, less noise, and easier maintenance—our twin pontoon is designed for a better boating experience. The open deck gives you plenty of room to lounge and entertain, while high-quality construction and advanced engines ensure a quieter, more enjoyable ride. Refueling and maintenance are a breeze with streamline access, so you can spend less time on upkeep and more time on the water.
